### Conclusion

The importance of the Holy Spirit is expressed in the many times His name is found in Scripture - 262 times in the New Testament and 88 times in the Old Testament. Jesus taught before Pentecost about the Holy Spirit and His work in all who believe. All of the fundamental truths concerning the Holy Spirit were given by our Lord. Jesus knew He would have to ascend in order for the Spirit to come.

The Holy Spirit is one of the most important subjects in Scripture - yet He is used and abused more than any other subject. Why? Because of misunderstanding and little study.
