WHAT THIS BIBLE TRUTH TEACHES US TODAY.

Demonology is a reality today. Yes, it existed in the days of the Old Testament but it still exists in the form of witchcraft, fortune-tellers, astrologers, drug abuse, lust, idols and a thousand more names.

The material published on these subjects is big business. The best way to avoid entrapment is to avoid the appearance of these things - books, psychic movies, games, fortune-tellers, occult groups, astrology and the like. Satan works through these demonic devices.

Unbelievers in Christ are open to these influences. The Christian should have spiritual discernment in reference to these things. The babe in Christ, the weakest of believers, can have the provisions made by Christ Jesus. A few of the Scriptures you should remember are: 1 Peter 5:8; 1 John 5:18; Ephesians 6:10-17; 2:2-7.
