There was God's grace in the Old Testament but it was in a limited form. "Noah found grace in the eyes of the Lord." Genesis 6:8 "Moses found grace" in God's sight. Exodus 33:12 Generally to find grace in God's eyes was limited to physical judgment or punishment. He withheld temporal judgment rather than eternal judgment. He also showed His grace in granting the personal requests of His people. Nonetheless Old Testament grace was still the evidence of God's love and mercy.

Conclusion

Grace is of God. We cannot produce grace, nor can we work to earn grace. When we accept Jesus Christ, Paul says, "For by grace are ye saved through faith; and that not of yourselves, it is the gift of God ... not of works." (Ephesians 2:8-9) Grace is what God does in our heart -- faith is our part. Salvation is an act of grace. As we grow in grace, we should have less of our own ego and pride. We should "humble ourselves in the sight of the Lord, and He shall lift you up." Grace becomes a reality and force in life. We should realize that as Christians, we have all of "**God's Riches At Christ's Expense.**" Grace is God's favor toward us -- it is His love toward us. We deserve nothing. He gives forgiveness, salvation and eternal life to all who will accept Jesus Christ as Saviour. In "the ages to come, He might show the exceeding riches of His grace in His kindness toward us through Christ Jesus." (Ephesians 2:7) The last verse of the Bible says, "The grace of our Lord Jesus Christ be with you all. Amen." (Revelation 22:21)
