Conclusion:

Assurance is a gift of God through faith in Christ. Assurance is an inner consciousness and confidence that a right relationship exists between you and God. Assurance is absolutely necessary to have peace of mind and soul.

The absence of assurance in a Christian's life brings about doubt and frustration which means an absence of peace. There can be no peace without assurance.

The only way to be at peace and have assurance is to

1. STAY IN THE WORD - STUDY IT.
2. PRAY WITHOUT CEASING.
3. STAY IN FELLOWSHIP WITH THE SAINTS - GO TO CHURCH.
